Mind is the leading mental health charity in England and Wales. Our vision is of a society that promotes and protects good mental health for all, and that treats people with experience of mental distress fairly, positively and with respect.

Our membership plays a key role in the work we undertake, helping to influence our direction and providing vital feedback on our campaigns and services. Our members come in all shapes and sizes and get involved in many different ways.

- Helping us campaign for change at both a national and local level.
- Raising money to support Mind.
- Sharing their experience with the media to help reduce stigma and discrimination.
- Voting at our AGM to determine the direction Mind takes.
- Becoming a trustee to help shape Mind's future.

An annual membership costs £26 for waged individuals and £6 for unwaged individuals. The membership payment covers the costs of our membership scheme and allows us to communicate to a wider audience.

Our membership package includes:

- membership card
- Mind Membership News – our quarterly magazine
- voting rights
- AGM attendance
- 10 per cent discount on Mind publications.

Mind relies on donations to continue its work. Please help if you can.
