

Best Man's speech

How long do you think it will be?

How to play

Before the speeches take place, get your MC (usually an usher) to ask your guests to write down their name on the form above and their guess for the length of the best man's speech. Remember to ask them for a donation in return for their guess (we suggest £2).

The winner is the person who's guess is the closest to the length of the best man's speech (don't forget to time it).
