# Lime, mint and coconut mocktail

Time: 15 minutes to prepare, and at least 1 hour to cool

Makes mocktails for 5 people

## Ingredients

- 1 litre of coconut water
- 2 cucumbers sliced thinly
- 100 ml of lime juice (roughly 5 limes)
- 50g caster sugar (optional)
- 25g chopped mint leaves
- Five cups of ice

## Method

- 1 Combine coconut water, cucumbers, lime juice, sugar and mint leaves in a large jug.
- 2 Chill in the fridge for 1 to 2 hours.
- 3 To serve add a couple of ice cubes to everyone's glass and slot a slice of cucumber on the rim of the glass for an extra garnish if you like.
