**MIND HIKE 2020: WHITBY
UK**

Fri 11 Sep - Sun 13 Sep 2020

In aid of Mind

11 Sep - 13 Sep 2020

3 DAYS | UK | EXTREME

To take part in this event you must contact the Events team at Mind and complete an application form. Please email community@mind.org.uk for more information.

- 24 hour adventurous trekking challenge
- Inclusive and supportive atmosphere
- Experienced and qualified expedition leaders
- Raise life-changing funds for Mind, the mental health charity

YOUR CHALLENGE DAY BY DAY

DAY 1 *Fri 11 Sep*

-

Day 1 - Arrival on Friday

You will need to plan to arrive at the accommodation by 5pm on Friday evening.

This will give you plenty of time to get settled in before dinner at approximately 6pm.

Following dinner there will be a comprehensive welcome and safety briefing.

It is vital that you attend the Friday evening safety briefing, so please plan your travel accordingly.

DAY 2 *Sat 12 Sep*

-

Day 2 - Saturday: The Challenge begins!

Saturday morning will begin with a hearty breakfast before the trek begins at 8am.

With your experienced trekking leaders there to support you, you will work together as a team to complete the day section of this demanding event. After approximately 12 hours of walking you will stop for a fully cooked dinner before beginning again on the night section of the challenge. You will continue walking through the night, under the moonlit sky and over a variety of terrain.

DAY 3 *Sun 13 Sep*

-

Day 3 - Sunday: The finish!

As the dawn arrives the finish line will almost be within sight - however you will need all of your team spirit to complete the final few hours as your legs begin to feel heavy and tired!

You will finish around 8am, back in Whitby, on Sunday morning and then be able to celebrate your incredible achievements with a delicious celebration breakfast.

Minimum sponsorship

Registration fee of **£95.00** when you book.

Raise a minimum of **£690.00** for Mind.

Minimum sponsorship option

You will be required to pay the registration fee of **£95.00** at the time of booking and raise a minimum amount of sponsorship, **£690.00** for Mind. You should send your sponsorship money to Mind as you raise it. At least 50% of the minimum sponsorship required (**£345.00**) must be sent to the charity 10 weeks before departure (by 03/07/2020). If you have raised the necessary funds, Mind will then pay the balance of your expedition costs (which will not exceed 49% of the minimum sponsorship target). The charity benefits by keeping the remaining sponsorship money and every pound over and above that you raise.

WHAT'S INCLUDED?

Before you go

- Access to UK based training weekends (optional and at additional expense)
- Risk assessment and emergency management planning
- Public liability insurance
- Fundraising advice
- Support materials (itinerary, kit list, fact file, Q&As, health notes, travel tips, responsible travel policy and guidance)
- Access to your own password protected account including support materials and training schedules

On your challenge

- Accommodation during the challenge (usually in twin share)
- Drinking water on challenge days
- Full back-up support including first-aid qualified staff and first-aid supplies
- All challenge management before, during and post event
- Drinks and snacks available throughout the day
- Celebratory drink at the finish line
- Dinner on the night of arrival
- Evening Meals
- Hot breakfast at the end of your challenge
- Three meals a day (unless otherwise stated in the itinerary)

THE DETAILS

Fundraising deadlines

You will be required to pay the registration fee of **£95.00** at the time of booking and raise a minimum amount of sponsorship, **£690.00** for Mind. You should send your sponsorship money to Mind as you raise it. At least 50% of the minimum sponsorship required (**£345.00**) must be sent to the charity 10 weeks before departure (by 03/07/2020). If you have raised the necessary funds, Mind will then pay the balance of your expedition costs (which will not exceed 49% of the minimum sponsorship target). The charity benefits by keeping the remaining sponsorship money and every pound over and above that you raise.

Raising the sponsorship

Thank you so much for choosing to fundraise for Mind. We really appreciate your support. Should you need any further assistance or help with your fundraising then please contact the team at **community@mind.org.uk** and we will endeavour to get back to you as soon as we can!

Typical group size

The typical group size is 60 - 120 participants

Challenge Timings

Please note that precise timings and instructions will be provided 1 month prior to the challenge date. the following timings should be used as guidance when planning.

Why book with Charity Challenge

- Everything included from the moment you arrive. We include everything from hostel accommodation, your evening meal when you arrive, plenty of food and snacks whilst on the trek and then the opportunity to rest at the hostel upon completing the challenge before a celebration brunch.
- The very best trek leaders, who are fully qualified, highly experienced, knowledgeable and fun. They will do everything to help you complete the challenge and have a great time doing it.
- Ethical consideration. For every participant we donate money to the local community in order to protect the beautiful route that we use. We also try wherever possible to use local suppliers, which helps us to put money back into the local area.
- The highest quality night-time charity challenge experience on the market!

Level of Difficulty

The Mind Hike challenge is graded as extreme. This is the perfect challenge for participants who are of an adventurous spirit and having taking on a previous trekking challenge and are now looking to push themselves to their limits. You can tell your supporters that on your Mind Hike you will be:

- Trekking for 24 hours continuously.
- Trekking across undulating terrain, with the added challenge of walking through the night!
- Trekking as part of a team, supporting each and every team member to get through the challenge.

Clothing & Equipment

Equipment of good quality and durability could make the difference between a fantastic challenge experience and an uncomfortable one.

For this challenge, a good quality headtorch with spare batteries is vital. A headtorch is much better than a handheld torch as it allows you to keep your hands free. If you do not wish to buy and expensive headtorch just for this challenge then very good quality ones can be hired for the weekend from our partners at Outdoor Hire.

Waterproof and well-worn in boots will be indispensable. The terrain is uneven and can be very rough, so it is vital that you use a strong pair of canvas or leather boots with good ankle support for this challenge, coupled with a pair of good quality walking socks. Sports trainers are not suitable. As this a nighttime challenge the temperatures will be

significantly colder. Enough warm layers are vital as are hats and gloves. If possible, try to bring two pairs of gloves and two hats as these can very often get wet.

The benefits of a comfortable day sack cannot be underestimated - so make sure that you train with this. Other essentials are high quality gore-tex waterproof and windproof jackets and trousers, as well as technical/wicking t-shirts rather than cotton shirts. We would like to emphasize that jeans should not be worn on this challenge.

A full kit list for this challenge can be found [here](#). Once you book you will have access to kit discounts with our partners The Outdoor Shop, Outdoor Hire and Cotswold Outdoor.

Training

The Mind Hike Challenge is an endurance trekking event over 24 hours, therefore requiring a good to high level of fitness. The ideal training for this challenge is, naturally, walking in the outdoors. However, if you do not have the luxury of living near the great outdoors, then the stairs at home (or an office block) are a great place to start. Try building in a walk to work if possible, or perhaps at lunch. Most training should be part of an ongoing lifestyle, but if this is not the case then you should begin training 2-4 months prior to the challenge and gradually build up as suggested. Remember to use the walking boots that you will be wearing on the challenge in order to get them worn in, and take the daysack that you will be using during the challenge.

There is no substitute for walking in the outdoors, over similar terrain that you will face on the challenge, so try if possible to get out on a weekend and train in an appropriate area. It can be a great way to discover nearby places that you never knew existed! If it is possible for you to practice walking at night with your headtorch then this is also useful. You should progress to training with your boots on from week 4 at the latest, but preferably from week 1. The more you exercise before the challenge, the more you will get out of it. The hardest part of this challenge to train for is the fact that you will need to walk for 24 hours. Whilst it is not expected that you will have practiced this we would recommend that you be comfortable with long days of walking for at least 10 hours, plus you should be comfortable walking for consecutive days. It is a good idea to have a training weekend where you perhaps walk for 8 hours on one day and then another walk the following day. Also see your Charity Challenge [Fitness Training](#) notes which will be in your Charity Challenge Participant Account Area.

Money

During the trek there will be limited opportunities to purchase some extra snacks as we pass through villages (please do not rely on shops being open as it is not always possible to guarantee this). Therefore you may wish to take some money with you on the trek. We would advise you should need no more than £20.00, excluding your joining and returning home travel costs.

Insurance

We don't offer insurance for our UK trips, as any medical emergencies would naturally be covered through the NHS. If you wish, you could look into your own policy that covers cancellation for travel within the UK.

Group Size

The Mind Hike is run as a team event with each team having a maximum of 40 people. You will be allocated a team for the event.

The aim of this challenge is to work together as a team to help each other through the 24 hours. This is a great opportunity to meet other inspirational people like yourselves and to draw strength from each other.

There will be one leader per approximately 10-15 participants and there will be one team of leaders for the day section and another set of leaders for the night.

Leadership

We employ experienced and fully qualified trek leaders who all hold the Mountain leader qualification. The leaders are first aid qualified and have extensive experience in leading challenges throughout Britain and overseas. They will be ultimately responsible for the running of the itinerary and the safety of your group. They will be carrying full safety equipment and first aid kits with them at all times.

Climate

As you know, the weather in the UK can be highly unpredictable and at times erratic, so being prepared is the key! We will run UK challenges between April and October, and although the summer months of June-August should be, in general, warmer, sunnier and more stable in terms of the weather conditions, we all know that this isn't always the case. As this challenge takes place at night the temperature can often reach close to zero, even in the height of summer. Please check the weather forecasts up to ensure that you bring clothing suitable for warm sunny walking weather and also sudden wind and downpours should they occur.

Terrain

Despite its location in the UK, the difficulty of this trek should not be underestimated as it includes 24 hours of hiking, with tough ascents and descents along the coast, with the added challenge of walking in the dark. The route is predominantly on good paths, but it's the variation of footpaths that makes this challenge a unique and fun experience.

Responsible Tourism

At Charity Challenge we are committed to sustainable and responsible tourism.

On this challenge in particular, we always liaise with the local authority to make sure that we minimise our impact on the local environment. Our leaders care passionately for the environment and will be keen to talk to you about how you can do your bit to conserve the local area and enhance your experience. We believe that acting responsibly should add to your enjoyment of the challenge so we won't lecture you about not dropping litter.

We would also like to encourage all our participants to spend a little extra time in the local area. Why not consider booking an extra night in a local B&B, and go out for a meal in one of the excellent local pubs after the challenge?

Not only will you be able to celebrate your achievements but you will also be putting more money back into the local area. For extra information, please visit our [Responsible Tourism](#) pages, where you will be able to view a list of the other projects that we currently support.

Getting There

Please note that precise timings and instructions will be provided 1 month prior to the challenge date. The following timings should be used as guidance when planning.

Accommodation

You will be staying in same-sex dormitory accommodation at the YHA Whitby and you will be sharing a dorm room with members of your team.

Food & Drink

Meals while on the challenge include breakfast on the morning of the challenge, and then a packed lunch and snacks during the trek as well as dinner in the evening. We strongly encourage you to bring additional sweets and snacks if desired. Upon completion of the challenge a celebration brunch will be provided back at the YHA Whitby. The drinking of alcohol the night before is strongly discouraged for your own health and safety during this tough challenge.

Toilets

There will be bathroom facilities at the hostel; however during the challenge such facilities will be limited to the great outdoors!

Safety Advice for the Mind Hike

Charity Challenge considers the safety of all of our participants and staff to be a top priority, and as such we have set up Challenge Safe, one of the most advanced and thorough safety management systems in the industry. Challenge Safe formalises our ethos when it comes to safety, and brings together the procedures and risk management strategies that we use to audit all aspects of our challenges, from vehicles to accommodation to the challenge activity itself. Your welfare is absolutely paramount!

Here are a couple of important points that you should be aware of:

- The terrain on the challenge is often rocky and in wet conditions can be extremely slippery. Please make sure that your walking boots have good grip. Trainers are not appropriate as they lack grip.

- Trekking at night is by its nature a hazardous activity. A powerful, good quality headtorch is absolutely vital.
- Due to extra risks posed by trekking at night we always use a higher ratio of leaders to maximise safety. It is very important that you always listen to your leaders at all points and obey any decisions they make.
- The weather at night can be very different to during the day. Please make sure you carry an additional warm layer, waterproof jacket and trousers and a hat and gloves.
- 24 hours is a long time to be out on a trek, especially overnight. Ensure that you eat lots throughout the night and keep yourself hydrated by drinking lots of fluids.

Emergencies

Your leading team are trained to deal with emergency situations in remote areas and will be carrying a mobile phone and radios in case the emergency services need to be contacted. The event is not run as a race and you will never be encouraged to walk at a pace 'beyond your ability'. There will always be a wide variety in people's walking abilities which will be carefully managed by the leader team. This team will always keep the group together for maximum safety and set a sensible pace for all to achieve this challenge within 24hrs. If we find that you are unable to trek at all, then we will arrange for you to be collected and taken back to the hostel.
