Purpose of the job and scope of the job

The Community and Events Fundraising team designs and delivers memorable fundraising experiences that raises millions of pounds and turns one-time participants into lifetime supporters. This role will contribute to this purpose by leading on the strategy and planning of the products portfolio of the Community and Events programme. You will lead a team of 7 team members of which 3 will be your direct line reports.

You will be an important member of the Community and Events Management team, supporting the Head of team and formulating corporate strategies to assist in effective delivery across the organisation and drive income growth.

You will play a pivotal role in the Community and Events Fundraising team reaching and exceeding their target of circa £10.8 million NET income by 2024.

To be successful in this role you will be a strategic thinker who is highly organised in leading a team to manage Mind owned products and digital platforms– driving the programme forwards, maximising value, continuously improving ways of working, and innovating in response to need. You will base decisions on insight and engage a diverse range of potential supporters and connect them to opportunities to support Mind’s work. You will ensure you provide an excellent and supportive experience – inspiring participants to maximise the value of their gift and continue to support Mind’s work.

You will be an adaptable and flexible member of the Community and Events Fundraising team contributing to the development of a culture of co-operation, flexibility and adaptability amongst the team through leadership by example. You will be able to move resource to help deliver changes in capacity and strategy across the programme. You will form strong working relationships with

internal stakeholders across Mind, ensuring Community and Events is professionally represented and gets the buy-in and commitment needed to deliver its objectives. You will have strong experience of working with external suppliers and partner agencies, negotiating costs, managing contracts and driving performance to achieve targets.

Key Accountabilities
