

## Mind Skydive FAQ's

### 1. Where can I jump?

Skyline works with 17 airfields across the UK. [Click here](#) to find an airfield near you.

### 2. How much is the minimum sponsorship target?

All we ask is that you raise a minimum sponsorship amount and in return we will cover the costs of your skydive. Due to the varying costs, each type of skydive has a different minimum sponsorship target. We ask for a minimum sponsorship amount to ensure that we are able to cover our own costs and at the same time, make sure that we make enough money to support our services.

Our fundraising targets are:

Tandem Skydive = £500 minimum sponsorship + £70 deposit at the time of [sign up](#)

Accelerated freefall = £535 minimum sponsorship + £70 deposit at the time of [sign up](#)

### 3. What support will I receive from Mind?

- A free Mind t-shirt to wear on the day
- A welcome pack with fundraising help and materials
- Support from our community fundraising team to help you achieve your goal

### 4. What are the weight limits?

For Tandem parachute jumps the weight limit is usually around 15 stone, some airfields have a higher limit and some have a lower limit. You can check the weight limit of each airfield here: [FAQs](#).
